Travel Information

---

NJCU can be reached easily by the Metropolitan Transit Authority (MTA) and Port Authority of NY & NJ (PATH) bus and train services. Due to traffic and limited street parking, the organizing committee does not recommend renting or driving a car unless necessary. Parking permits on campus are available for \$7/day, however. Cab services are also quick and reliable options.

Nearby Airports:

- Newark Liberty International Airport (EWR)\*\*: ~1 hour by public transit, ~20 minute via car
- John F. Kennedy International Airport (JFK): ~2 hour by public transit, ~1 hour via car
- La Guardia Airport (LGA): ~2 hour by public transit, ~1 hour via car

\*\*recommended by organizing committee

New Jersey City University is a short commute to downtown Jersey City and Manhattan, with plenty of entertainment options.

---

Spectator tickets will be available for purchase online from the organizer's homepage in early 2020. Tickets and seats for registered delegation members and competitors are reserved and do NOT have to be purchased. More details will be available on USAWheelGymnastics.com in the coming months.
